This statement is to provide information that will enable you, if you choose, to treat the Fund as a Qualified Electing Fund (QEF) for U.S. federal income tax purposes. Generally, an election is filed for each fund on which you wish to make a QEF election. If you hold a Mackenzie fund that holds one or more underlying funds, you will receive a combined PFIC AIS containing information that will enable you to elect to treat any or all of the funds as a QEF as you choose, as well as information relating to your units and values in your indirect holdings.

We have also enclosed for each of the Funds a table containing ordinary earnings and net capital gains for each Fund on a per-unit, per-day basis, and the date and amount of distributions per unit.

Please be aware that cash and property distributions reported on the PFIC AIS are converted into U.S. dollars based on the closing rate published on Thomson One (Source: Reuters Forex) in effect on the date the distribution is paid. We recommend that clients who do not file U.S. federal income tax returns on a cash basis consult tax advisors regarding the appropriate U.S. dollar conversion rate.

Note that the information attached with this letter is intended to help you make one or more QEF elections, if you decide to do so, and neither such information nor this letter constitutes tax advice.
